WWW.BIYADHOO.COM

The beauty of the island is enhanced by the mature tropical vegetation and hosts a crystal blue water lagoon and a unique house reef for the enjoyment of a vast range of water sports. All rooms are beach front and set amongst palm trees and tropical vegetation. The island is 30 km from the airport and can be reached in 35 minutes by speedboat.

Activities and facilities such as diving, water sports, excursions, snorkeling, library, TV room, boutique, restaurant, bar and disco bar will entertain all.

Rooms - 96 Beach front rooms (30 SQ M)

Set along the natural vegetation, all beach front rooms are equipped with comfortable double or single beds, a sitting area with a desk, air conditioning and hot and cold water. Additionally, you can enjoy a private terrace with outdoor seating to relax and unwind. Other amenities include a mini bar, tea and coffee maker, hair dryer, laundry service and IDD telephone.

These rooms allow you to enjoy the natural setting around you and escape to the beautiful beaches of the island in no time.

Dining

The Palm Restaurant

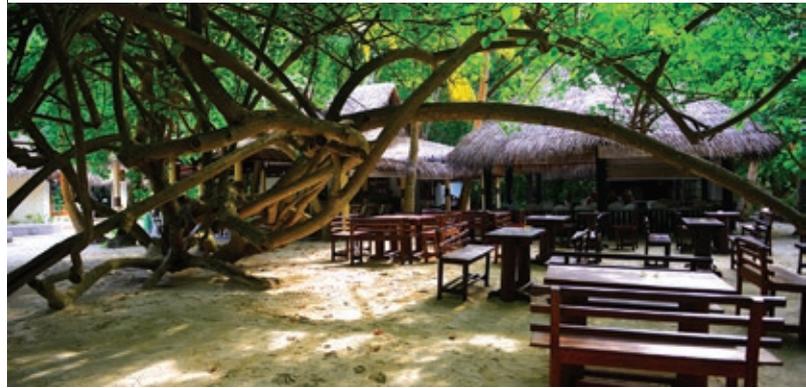

Our main restaurant offers international cuisine where you can enjoy our set menus or indulge in our scrumptious buffets.

The Coconut Bar

Facing the sunset and panoramic views of the lagoon, the Coconut Bar is set on the beach under rich foliage and serves a large selection of snacks and beverages.

The Banyan Club

Set close to the beach with a view of the ocean, Banyan Club offers outdoor and indoor seating where you can enjoy live or disco music every week.

Water Sports

Enjoy the crystal blue waters of Biyadhoo Island Resort by heading out on catamarans and canoes, or enjoy the simple joys of windsurfing and sailing.

Diving

Our international diving school offer PADI courses, giving you the opportunity to explore our pristine reefs and discover the diverse marine life around the famous dives stops near the island.

Spa

Aavun Spa at Biyadhoo Island Resort awaits you.

We offer a concept of home spa facilities using natural ingredients such as, rice, coffee, orange, honey, cucumber, papaya, coconut, herbs and spices. Using a combination of Asian touches, the treatments are derived from techniques used to improve wellness of the body and soul.
